Dear Mr. Flesher:

Re: 169-11779
Second Administrative Amendment to
FESOP 169-5469-00003

Ford Meter Box Company, Inc. was issued a permit on December 13, 1996 for a brass captive foundry. A letter requesting a change to add an insignificant activity to this permit was received on January 19, 2000. Since there is no increase in emissions or change in permit requirements as a result of the addition of the insignificant activity, pursuant to the provisions of 326 IAC 2-8-10, the permit is hereby administratively amended as follows:

- (hh) one (1) 19,80 gallon No.2 fuel oil underground storage tank; **and**
- (ii) **one (1) parts washer with no VOC emissions exhausting through stack/vent "BD".**

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.
